Pulizia stilistica e lavorazioni tattili si incontrano nella serie MD: una concezione semplice ma elegante, che permette di adattare il rubinetto alle esigenze di arredo più disparate. La silhouette sobria ed essenziale è esaltata dalla raffinata godronatura che dona un piacevole effetto tattile ed una resa estetica finale che enfatizza l'esperienza sensoriale.

Stylistic cleanliness and tactile workmanship come together in the MD series: a simple but elegant conception, which allows the tap to be adapted to the most diverse furnishing needs. The sober and essential silhouette is enhanced by the refined knurling that gives a pleasant tactile effect and a final aesthetic result that emphasizes the sensory experience.
