INSIDE TECHNOLOGY GATTONI

UN SOFFIO DI NOVITÀ

A breath of innovation

SOFFIO

Soffio si ispira alla dinamicità del vento, con la forma ergonomica della leva trapezoidale proiettata verso l'alto, leggera e slanciata, come modellata dalle correnti d'aria. La leva è perfettamente armonizzata al corpo sottostante, di forma squadrata, con sfaccettature geometriche sulla superficie che ricordano le piante degli antichi battisteri fiorentini.

Soffio is inspired by the dynamism of the wind, with the ergonomic shape of the trapezoidal lever projected upwards, light and slender, as if modeled by air currents. The lever is perfectly harmonized with the underlying body, square in shape, with geometric facets on the surface that recall the plants of the ancient Florentine baptisteries.
